

Feeding Furbabes Application for Assistance Request

Feeding Furbabes is a group of volunteers who work to improve the lives of animals. We take pride in our generous support of various causes that support or assist animals and animal associations in our community. We get far more requests for donations than we are able to satisfy. These guidelines are intended to help streamline the process and give you an idea of the kinds of support we might consider. All requests for funding should be made in writing by completing this Application for Assistance Request. The application can be emailed to Feeding Furbabes with the subject line of "Application for Assistance".

Things to consider before submitting a request:

- We only consider requests that benefit animals and the associations that assist them in local communities of Saskatchewan.
- We favor requests that target the development and improvement in the lives of animals in our area and bring animals closer to finding their fur-ever home in our communities.
- We favor requests that help animals with the greatest needs and provide the biggest impact for the largest number of animals.
- We favor requests that assist with saving animal's lives or drastically improving them.
- Regretfully, we are not able to assist individuals raising money to go on a trip where the benefit is not directly related to assisting the animal(s) but to the individual (example: flights, hotel rooms, meals etc. while travelling to receive medical care for animals).
- We are also not able to help individuals who need help for a personal crisis or medical problem. Our funds are raised exclusively to assist animals. Although we try to support many charitable fund-raising events through our fundraising efforts, we are not able to assist individuals seeking pledges for personal fundraising.

Organization: _____

Contact Person: _____

Organization Address: (required) _____

Email address: _____

Daytime Phone Number: _____

Other telephone: _____

What will the money be used for?
